WEEKLY SPECIALS (Home Energy Solutions)

Solarix Power Storage Box (200w)

Modified Sine Wave Power Storage Box with convenient carry handle. 1 x Rechargeable 12V Sealed Lead Acid Battery 30Ah, 1 x AC Output (220V / 200w / Frequency 50Hz), 3 x DC 12V Outputs (36W), 4 x USB 5V Outputs (1.0A x2 / 2.1A x2), 1 x 12V Automotive Jumper Station, LCD Display. Included: AC/DC 14.4V Charging Adapter, DC Led Light, Car Jumper Lead.

R3250

Solarix KingStar 3.5KVA Hybrid Inverter

Pure Sine Wave Multi-Function Hybrid Inverter, Solar and Battery Charger providing uninterruptable power support. Configurable Battery, AC Solar Charger Priority. Compatible to Mains Voltage or Generator Power, Auto Restart while AC is recovering, Overload / Over Temperature / Short Circuit Protection. Smart Battery for optimized battery performance. Cold Start Function. Batteries And Solar Panels Are Not Included..

R4995

Solarix SkyKing 7KVA 48V Hybrid Inverter

Pure Sine Wave Multi-Function Hybrid Inverter, Solar and Battery Charger providing uninterruptable power support. Configurable Battery, AC Solar Charger Priority. Compatible to Mains Voltage or Generator Power, Auto Restart while AC is recovering, Overload / Over Temperature / Short Circuit Protection. Smart Battery for optimized battery performance. Cold Start Function. Batteries And Solar Panels Are Not Included.

R10300

Solarix SunPays 5.5KVA 48VDC 100A Expert Type Hybrid Inverter

Pure Sine Wave Inverter with built-In high voltage 100A MPPT Solar Charge Controller. Designed to provide a reliable backup power solution for homes and small businesses. Easy start-ups for motor-type loads such as refrigerators, motors, pumps, compressors and laser printers as well as electronic loads like TVs, Computers, power tools and battery chargers. Can only be used as a single inverter. Batteries And Solar Panels Are Not Included.

R9300

Solarix Sacolar 5KVA 48VDC Expert Type Parallel Inverter

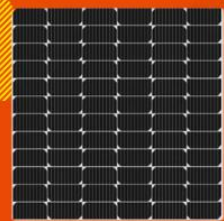

Pure Sine Wave parallel single-phase Inverter with built-in high voltage 100A MPPT Solar Charge Controller. Designed to provide a reliable backup power solution for homes as well as medium to large businesses. Easy start-ups for motor-type loads such as refrigerators, motors, pumps, compressors and laser printers as well as electronic loads like TVs, Computers, power tools and battery chargers. Can be connected to up to 6 units totalling 30kVA in parallel. CAN and RS485 Ports for BMS Communication. Batteries And Solar Panels Are Not Included.

R12500

Solarix SunPays 480W Mono Crystalline A-Grade 9BB Half Cell Solar Panel-9 Busbar Design

Solar Panel operates at 22.1 % efficiency to maximize the light absorption area that offers the advantages of higher power output, better temperature-dependent performance, reduced shading effect on the energy generation, lower risk of hot spot, as well as enhanced tolerance for mechanical loading. 12-year product warranty and a 30-year design lifespan.

R3300

Solarix Ultra Energy Wall Mount 48V 100Ah LiFePo4 Single Battery Module

Lithium-ion / Lithium Iron Phosphate (LiFePO4) battery solution designed and perfect for medium to large residential installation with great performance. Works perfectly with Hybrid Invertors Up To 7KVA 48V. Supports parallel connection to expand capacity and comes with a built-in battery management system (BMS), which can manage and monitor the pack and cell information.

R25750

Solarix Ultra Energy 25.6V 100Ah LiFePo4 Single Battery Module

Lithium-ion / Lithium Iron Phosphate (LiFePO4) battery solution designed and perfect for an entry level small to medium residential installation with great performance. Works perfectly with Hybrid Invertors Up To 3.5KVA 24V. Standard 19-Inch Rack Mount Embedded designed module for installation and maintenance.

R15500

Solarix SolarWise 12V 200Ah AGM Deep Cycle Gel Battery (Absorbent Glass Mat)

All-purpose battery ideal for use with inverters and solar power installations, household systems, solar traffic lights, emergency lighting system and moveable energy storage systems. These batteries are capable of delivering up to 30% more deep cycling, making them a reliable source of power. Can be mounted in any orientation and are better able to handle vibration and usable in any position.

WEEKLY SPECIALS (Plug-and-Play Energy Solutions)

Solarix 1300VA Modified Sine Wave Inverter Bundle

(Entry level Plug-and-Play power solution)

Complete plug-and-play solution that is designed to get through the challenges of Load-Shedding on a limited budget and suitable for use with basic low energy appliances such as PC's, TV's, Lights and Wi-Fi Routers. Rated Power: 800W, High Charging Current, 12VDC, Charge Current: 23A, 1 x 120Ah Gel/AGM Battery, DC Input Voltage: 12V, Wooden Battery Cabinet Box (with Castor Wheels). Running Time: 150W Load for up to 3-4 Hours

R7500

Solarix 2500VA Pure Sine Wave Inverter Bundle

(Medium level Plug-and-Play power solution)

Complete plug-and-play solution that is designed to get through the challenges of Load-Shedding on a limited budget and suitable for use with basic low energy appliances such as PC's, TV's, Lights and Wi-Fi Routers. Rated Power: 2200W, Output Power 220 VAC 50Hz, Charge Efficiency: 8-12 Hours (Recharge 90%), High Charging Current 24VDC, 2 x 120Ah 12V Gel/AGM Batteries, Wooden Battery Cabinet Box (with Castor Wheels). Running Time: 150W Load for up to 4-5 Hours

R12250

Solarix 2500VA Pure Sine Wave 40A MPPT Solar Inverter Bundle

(Medium level Plug-and-Play power solution)

Complete plug-and-play solution with 40A MPPT Solar Charge Controller Included, that is designed to get through the challenges of Load-Shedding on a limited budget and ideal for agricultural, medium sized residential, and small office commercial use. Support Solar Panels up to 1800 Watts. Rated Power: 1800W, Output Power 220VAC, DC Input 24V, AC Input AC 190-245V 50Hz, PV Max 40A, Charge Efficiency: 8-12 Hours (Recharge 90%), High Charging Current 24VDC, 2 x 120Ah 12V Gel/AGM Batteries, Wooden Battery Cabinet Box (with Castor Wheels). Running Time: 150W Load for up to 4-5 Hours
